CENSORSHIP

The National Education Association published in its *Defense Bulletin* (No. 85, June, 1960) "an alarming phenomenon of recent months . . . a seemingly increase in the number of voluntary censors whose objective seems to be the elimination of materials to students and teachers." This is just one statement among many articles and books recently written on this pertinent subject.

The United States, being a pluralist society, often has pressure groups with well-intended motives, but with over-zealous enthusiasm that is not conducive to clear thinking and fair judgements. Librarians must guard the public's right-to-know. We must protect the right-to-read, not only from pressure groups, but from the timidity and fear that causes some readers to avoid controversial areas. Librarians, by the process of selection from among the numerous volumes published each year, are placed in a very vulnerable position. It is crucial to have a well defined library book selection policy, stating the legitimate reasons for rejection of books because they lack quality or lack demand. We must guard and reaffirm the points in the "Library Bill of Rights."

Censorship as exercised by a group

or groups is insidious. Often it seems expedient to acquiesce to the first demands and criticism rather than to re-evaluate and defend our previous position. However, the pattern usually follows that the demands increase to the point where the group feels it has a duty to censor all books in all libraries in their area of interest. Censorship has even reached the seemingly ridiculous point where children's animal stories are criticized if the rabbits and pigs are black, white or spotted. Let us be ever aware of the small seemingly innocent beginnings of censorship and resist it in whatever form it appears.

Some individuals and groups in Arizona are becoming concerned with what they feel is the spread of communistic ideology and objectionable literature. "Defined as objectionable materials are all printed matter . . . which would induce physical, mental or spiritual degeneration." Does an individual or a group have the right to project its judgment on other citizens? Is it possible to determine what printed matter would cause physical, mental or spiritual degeneration? Undoubtedly many of these people are truly concerned with the type of reading materials and ideals made easily available for sale at news stands, drug stores, etc., to the public and particularly to the student group. Since their zeal can be so easily channeled into detrimental criticism and pressure on libraries, it behooves all librarians to be alert to their plans and objectives.

MINUTES OF EXECUTIVE BOARD MEETING

SATURDAY, SEPTEMBER 24, 1960, 10:30 A.M.
RINCON HIGH SCHOOL LIBRARY, TUCSON

PRESIDING: Mrs. Heisser, President.

PRESENT: Batchelor, Cooley, Good, Heisser, Lundy, Mitchell, Philpott, Powell, Saltus, Schneider, Wheeler.

ABSENT: Peters, Moffat, Bump, Baughn, Bartels, Manuel, Thompson.

The treasurer's report for the period May 15, 1960, to August 30, 1960, was read showing a balance of \$1,612.59.

The reading of the Minutes of the meeting of May 21, 1960, was dispensed with since they have been circulated to the members.

COMMITTEE REPORTS

PUBLIC RELATIONS

Mr. Mitchell announced the Governor's Conference on Library Development to be held in Phoenix, Saturday, October 1, and the SWLA Convention in Tucson October 27-29. He presented clippings reporting the Tucson Public Library's Budget Proposals and accepting of bids for the library extension. Dr. Ruth Strang is working at the Reading Center at the University of Arizona. The American Association of School Librarians has been made a Department of the National Education Association with Eleanor Ahlers as executive secretary. Jess Lundy, librarian of Rincon High School and our host, was introduced.

SECOND VICE-PRESIDENT

Mrs. Philpott reported that the Spring issue of the *Arizona Librarian* is out and the Summer issue is at the printers. Pauline Romero has been appointed as business manager. She asked the Board to approve a change in format from glossy to non-glossy paper because it will take the printing better. The Spring issue was done by photo-offset process rather than let-

terpress because of printing difficulties. The Winter issue will be devoted to library standards. It was suggested that the *Librarian* contain more bibliographies. Mrs. Philpott expressed the hope that she would be able to finance pictures in the Proceedings issue. The *Librarian* is in good financial condition although it probably takes more money to publish it in Safford than in Tucson. The Board felt it is better to encourage more advertisers and leave rates low.

SWLA COUNCILOR

The SWLA conference has been arranged as announced in the *Newsletter*, and Mr. Powell reported that there will be forty-two exhibitors. SWLA is to launch a new journal in the spring. It was suggested that the program of the Conference be included in materials presented to the participants in the Governor's Conference on Library Development. Mr. Powell will prepare this information.

FEDERAL RELATIONS COORDINATOR

Mr. Batchelor noted that the Library Services Act extension bill passed in August with less opposition than the first time. \$7,500,000 was appropriated assuring the continuation of the program.

ALA COUNCILOR

At the ALA Convention the possibility of a new headquarters building was discussed. A study will be made

of the dues structure. The Committee on Intellectual Freedom will sponsor a newsletter edited by Everett Moore and published by the University of Missouri School of Journalism. The Asia Foundation has granted funds for the education of Asian librarians in the United States. Mrs. Saltus suggested that one of the students might be a guest at the SWLA Convention.

At the Convention a report was made on what every division in ALA is doing to implement goals. A committee was formed to study the problems of civil liberties in libraries in the South.

Mrs. Saltus urged that the Board decide whether the ALA Councilor should be someone who could attend meetings and whether some of the expenses of the Councilor could be paid by the organization. Mr. Powell suggested that the office of ALA Councilor and SWLA Councilor be combined since one representative could attend council meetings of both organizations at the ALA Convention. It was recommended that this proposal be brought to the attention of the Constitution Committee.

Mr. Powell moved, Mrs. Cooley seconded the motion that \$200 be allowed for Mrs. Saltus to attend the ALA Mid-Winter Meeting. The motion carried.

RECRUITMENT COMMITTEE

The convention of the Student Library Association of Arizona will be held Saturday, October 8, 1960, at Arizona State University. At this time a gavel will be presented from ASLA.

MEMBERSHIP COMMITTEE

Marguerite Cooley reported that an announcement will go out to all public libraries in November seeking members. Another will go out with the Convention announcement. It was suggested that someone recruit members at the meetings of the Arizona Education Association, and also that some

key person in each of the large libraries recruit members of his staff.

LIBRARY DEVELOPMENT STEERING COMMITTEE

Plans for the Governor's Conference on Library Development were made last June, and 1,000 invitations have been sent out to people from various areas of endeavor who are interested in the field. A special effort was made to appeal to boards of supervisors, members of city councils, lawyers, people in the communications field, and members of civic organizations. At this time 225 acceptances have been received. Good cooperation was received from the Development Board. An effort will be made to make this an annual affair to bring help to libraries of all kinds and sizes.

CONVENTION

Mr. Schneider announced that the ASLA Convention will be held at the Ramada Inn, April 7, 8, 9, 1961. It has been recommended that the business meeting be held before Sunday and that members should be sent a circular showing problems to be taken up at the convention before the meeting.

OTHER BUSINESS

Bill Bartels has been appointed Executive Director of National Library Week and Carleton Owens, Chairman.

Mrs. Godsell has resigned as treasurer because of illness. Mr. Batchelor moved, Mr. Powell seconded the motion that Mrs. Heisser appoint a successor. The motion carried.

The National Municipal League has asked ASLA to contribute \$10 toward the National Conference on Government to be held in Phoenix, November 13. This contribution will entitle ten members to attend the Conference. Mr. Mitchell moved we send the \$10. Mrs. Cooley seconded the motion, which carried. The meeting adjourned at 12:40 p.m.

Lora Jeanne Wheeler, Secy.

VROMAN'S WHOLESALE DIVISION IS SOLD

A. C. Vroman Company of Pasadena has announced that their Wholesale Book Division has been purchased by the American News Company. This is the division which handled library and institutional book orders.

A. C. Vroman will continue in the retail book trade; but, after January 1st will no longer offer their discount service to libraries. They will, however, continue shipping on present orders until the last of December. They have long been an advertiser in the ARIZONA LIBRARIAN and an exhibitor at ASLA conventions, and their services will be missed by Arizona librarians.
